

A horizontal number line representing distance in kilometers. The line starts at 0 and ends at 12. There are major tick marks at 0, 3, 6, and 12, labeled with their respective values. Between these major marks, there are smaller tick marks at every 1 kilometer interval (1, 2, 4, 5, 7, 8, 9, 10, 11). The total length of the line is 12 kilometers.
