*Paper Size- A1*

A map of India with its district boundaries outlined. A red dot is located in the Amravati district, which is situated in the central-western part of the country. The map includes labels for various districts such as Andhra Pradesh, Odisha, Madhya Pradesh, Maharashtra, Karnataka, Kerala, Tamil Nadu, Andaman and Nicobar, Lakshadweep, and others. The Amravati district is highlighted with a red dot, indicating the location of the field work.

*Field work should be done after actual site inspection as per the department's guidelines*
