

This topographic map illustrates the village of Chikhalagar, centered around a grid of numbered land parcels. The map includes the following features:

- Geographic Labels:** Surrounding areas are labeled as *Tandulwadi* to the west, *Ganeshpur* to the north, *Wad hiwara* to the east, *Bodkha* to the southwest, and *Limbala hudi* to the southeast. The village name *Chikhalagar* is prominently displayed in the center-left.
- Topographic Features:** Yellow contour lines indicate elevation, with labels such as 460, 475, 480, 485, 490, 495, and 500. A network of yellow lines represents roads or paths.
- Land Parcels:** The village is divided into numerous numbered plots, ranging from 1 to 158. A specific parcel is highlighted in pink and labeled *Sengadn*.
- Infrastructure:** A red dashed line, likely a railway or major road, runs through the center of the village. A blue line, possibly a water source or canal, is visible in the lower right quadrant.
- Map Grid:** The map is overlaid with a coordinate grid. Longitude values are 76°48'30"E and 76°49'30"E. Latitude values are 19°42'30"N, 19°43'30"N, and 19°44'30"N.

This topographic map illustrates the village of Chikhalagar, centered around a grid of numbered land parcels. The map includes the following features:

- Geographic Labels:**
 - Chikhalagar:** The central village area.
 - Ganeshpur:** Located to the north.
 - Tandulwadi:** Located to the west.
 - Wad hiwara:** Located to the east.
 - Bodkha:** Located to the southwest.
 - Limbala hudi:** Located to the southeast.
 - Digras:** Located to the south.
- Topographic Features:**
 - Contour Lines:** Yellow lines indicating elevation, with labels such as 460, 465, 470, 475, 480, and 485.
 - Drainage:** A network of yellow lines representing water flow paths.
 - Infrastructure:** A red dashed line, possibly a road or boundary, and a blue line, possibly a water channel or road, are visible.
- Parcel Identification:**
 - Individual land parcels are numbered from 1 to 158.
 - Specific parcels are highlighted with colored borders: a pink border around the central area and a blue border around a smaller section in the south.
- Grid System:**
 - Latitude:** 19°42'30" N to 19°44'0" N.
 - Longitude:** 76°48'30" E to 76°49'30" E.
