

The map displays a cadastral layout with various land parcels, roads, and administrative boundaries. The following table lists the locations and features identified on the map:

Location/Feature	Description
Gonde	Location in the northwest corner of the map.
Datli	Location in the north-central part of the map.
Shivajinagar	Location in the central part of the map, near the pink boundary.
Dattanagar	Location in the central part of the map, below Shivajinagar.
Dodi Kh.	Location in the south-central part of the map.
Dodi Bk.	Location in the southeast part of the map.
Dapur	Location in the southwest part of the map.
GV-21/05/03	A prominent blue line running through the center of the map.
Pink Boundary	A thick pink line outlining a specific area in the northern and central parts of the map.
Grid Coordinates	Latitude and longitude coordinates (e.g., 74°3'0"E, 19°4'30"N) are marked along the edges of the map.
Numerical Values	Scattered numbers across the map, likely representing land area or parcel identifiers.

The map displays a complex land parcel layout with various colored boundaries (pink, blue, yellow, red) and numerous numerical labels. The grid lines indicate coordinates ranging from 74°3'0"E to 74°6'30"E and 19°43'0"N to 19°47'30"N. The map is divided into several labeled regions: Gonde, Datli, Shivajinagar, Dattanagar, Dodi Kh., Dodi Bk., and Dapur. A prominent pink boundary outlines a large area, and a blue line labeled 'GV-21/05/03' runs through the center. The map is densely populated with numerical values, likely representing land area or parcel identifiers.

Field work should be done after actual site inspection as per the department's guidelines
