

This topographic map depicts the Khandotri region, characterized by a dense network of contour lines indicating varying elevations. The map is bounded by coordinates 73°26'30"E to 73°28'0"E and 17°21'0"N to 17°23'0"N. Key geographical features include the Turambao area to the north, Nivali to the northeast, Dhakmoli to the west, and Waderu to the south. The central part of the map shows a complex terrain with numerous contour lines and a prominent road network. The map also includes labels for various locations such as Turambao, Nivali, Dhakmoli, Waderu, and Khandotri. The map is a detailed representation of the terrain, showing the relationship between the land and the surrounding areas.

This topographic map depicts the Khandotri region, characterized by a dense network of contour lines indicating varying elevations. The map is bounded by coordinates 73°26'30"E to 73°28'0"E and 17°21'0"N to 17°23'0"N. Key geographical features include the Turambao area to the north, Nivali to the northeast, Dhakmoli to the west, and Waderu to the south. The central part of the map shows a complex terrain with numerous contour lines and elevation markers. A prominent road or path is visible, running through the center of the map. The map also includes labels for various locations such as Turambao, Nivali, Dhakmoli, Waderu, and Khandotri. The overall layout suggests a detailed survey or planning document for the region.

This topographic map depicts the Khandotri region, characterized by a dense network of contour lines indicating varying elevations. The map is bounded by coordinates 73°26'30"E to 73°28'0"E and 17°21'0"N to 17°23'0"N. Key geographical features include the Turambao area to the north, Nivali to the northeast, Dhakmoli to the west, and Waderu to the south. The central part of the map shows a complex terrain with numerous contour lines and a prominent road network. The map also includes labels for various locations such as Turambao, Nivali, Dhakmoli, Waderu, and Khandotri. The map is a detailed representation of the terrain, showing the relationship between the land and the surrounding areas.

This topographic map depicts the Khandotri region, characterized by a dense network of contour lines indicating varying elevations. The map is bounded by coordinates 73°26'30"E to 73°28'0"E and 17°21'0"N to 17°23'0"N. Key geographical features include the Turambao area to the north, Nivali to the northeast, Dhakmoli to the west, and Waderu to the south. The central part of the map shows a complex terrain with numerous contour lines and elevation markers. A prominent road or path is visible, running through the center of the map. The map also shows several smaller settlements or landmarks, such as Turambao, Nivali, Dhakmoli, and Waderu. The overall topography suggests a hilly or mountainous region with significant elevation changes.

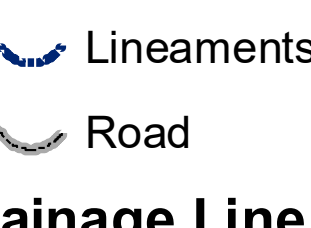

This topographic map depicts the Khandotri region, characterized by a dense network of contour lines indicating varying elevations. The map is bounded by coordinates 73°26'30"E to 73°28'0"E and 17°21'0"N to 17°23'0"N. Key geographical features include the Turambao area to the north, Nivali to the northeast, Dhakmoli to the west, and Waderu to the south.
