

This topographic map depicts the Kokare region, characterized by a dense network of brown contour lines indicating elevation. The map is bounded by a pink line, with surrounding areas labeled: Nivali to the northwest, Asurde to the northeast, Khershet to the east, Aravali to the southeast, Kondivare to the south, and Kalambushi to the southwest. A prominent road, marked with a yellow line and labeled 'KOKARE' and 'KOKARE', runs through the center. Numerous small, numbered locations are scattered across the terrain, and a grid of latitude and longitude coordinates is visible along the edges.

This topographic map depicts the Kokare region, characterized by a dense network of brown contour lines indicating elevation. The map is bounded by a pink line, with surrounding areas labeled: Nivali to the northwest, Asurde to the northeast, Khershet to the east, Aravali to the southeast, Kondivare to the south, and Kalambushi to the southwest. A prominent road, likely a national highway, runs vertically through the center of the map. Numerous smaller roads and paths are also visible. The map includes a grid of latitude and longitude coordinates, with labels such as 73°29'30"E, 73°30'0"E, 73°30'30"E, 17°19'0"N, 17°19'30"N, 17°20'0"N, and 17°20'30"N. The terrain appears to be a mix of hilly and valley areas, with the highest elevations reaching over 2800 meters. The map also shows various smaller settlements and landmarks, including Kokare, Chipur, and Khershet.
