

The map displays a complex land parcel layout with numerous small, irregularly shaped plots. A pink boundary line defines the primary area of interest. A grid of latitude and longitude coordinates is overlaid on the map, with labels such as 74°32'0"E, 74°32'30"E, 74°33'0"E, 17°30'0"N, 17°30'30"N, and 17°31'0"N. Key locations are labeled: 'Turchi' in the upper left, 'Nimani' in the lower left, 'Yelavi' on the left edge, 'Dhawali' on the right edge, and 'Tasgaon' in the lower right. A specific area is labeled 'KR-33/02/17' in the center. Various colored lines (yellow, blue, red, purple) trace paths across the map, possibly representing roads or utility lines. Numerous small numbers are scattered throughout, likely representing land parcel identifiers. A road labeled 'MDR91' is visible in the lower left, and another labeled 'MDR34' is on the right. The map also shows several smaller roads and paths, some of which are highlighted in yellow or blue.
