

This topographic map depicts the Pata village area, characterized by a central cluster of buildings and a network of roads. The map uses brown contour lines to show elevation, with labels ranging from 100 to 160 meters. A prominent road, likely the National Highway 16, runs vertically through the center of the village. Surrounding the village are various other settlements and geographical features, including the Divashi and Sabalewadi areas to the north, and the Pachupatewadi area to the south. The map also shows the boundaries of the Pata village and its proximity to the National Highway 16. The map is oriented with North at the top, and the coordinates are given as 73°56'30"E to 74°0'0"E and 17°13'30"N to 17°15'30"N.

This topographic map depicts the Pata village area, characterized by a dense network of brown contour lines indicating elevation. The map is bounded by a pink line, with a yellow line tracing a path through the center. Numerous numerical values are scattered across the map, representing specific elevation points. The village is situated in a valley, with higher elevations surrounding it. Key features include a central road network, a small cluster of buildings in the center, and a prominent hill to the south. The map is surrounded by various other villages and regions, each labeled with its name. The map is oriented with North at the top, as indicated by the latitude and longitude coordinates.
