

The map displays a complex grid of land parcels, each labeled with a unique numerical identifier. The parcels are arranged in a roughly rectangular pattern, with some areas showing more dense clustering than others. A prominent pink boundary line encloses the central portion of the map, likely indicating a specific administrative or ownership boundary. The map is overlaid with a coordinate grid, with latitude and longitude markings along the edges. The surrounding regions are labeled in bold text, providing context for the location of the central area. The map also shows a network of roads and a pink boundary line enclosing the central area.
