

This topographic map depicts the Karivane area, characterized by numerous contour lines indicating elevation. The map includes several roads, some marked with numbers like 150, 151, 152, 153, 154, 155, and 156. A prominent red dashed line runs through the center, labeled 'WF-77/77/12'. The map is bordered by four regions: Digas to the west, Kinlos to the east, Hirlok to the south, and Avalegaon to the north. The map also shows a network of smaller roads and a grid of latitude and longitude coordinates.

This topographic map depicts the Karivane area, characterized by numerous contour lines indicating elevation. The map includes several roads, some marked with numbers like 150, 151, 152, 153, 154, 155, and 156. A prominent road is labeled 'WF-77/77/12'. The map also shows various geographical features and surrounding regions: Digas to the west, Kinlos to the east, and Hirlok to the south. The map is bounded by coordinates 73°44'0"E to 73°45'30"E and 16°43'0"N to 16°44'0"N. The map is titled 'Karivane' in the center.

This topographic map depicts the Karivane area, characterized by numerous contour lines indicating elevation. The map includes several roads, some marked with numbers like 150, 151, 152, 153, 154, 155, and 156. A prominent road is labeled 'WF-77/77/12'. The map also shows various geographical features and surrounding regions: Digas to the west, Kinlos to the east, and Hirlok to the south. The map is bounded by coordinates 73°44'0"E to 73°45'30"E and 16°43'0"N to 16°44'0"N. The map is titled 'Karivane' in the center.

This topographic map depicts the Karivane region, characterized by numerous contour lines indicating elevation. The map includes several roads, some marked with numbers like 150, 151, 152, 153, 154, 155, and 156. A prominent red dashed line runs through the center, labeled 'WF-77/77/12'. The map is bordered by four regions: Digas to the west, Kinlos to the east, Hirlok to the south, and Avalegaon to the north. The map also shows a network of smaller roads and a grid of latitude and longitude coordinates.

This topographic map depicts the Karivane region, characterized by numerous contour lines indicating elevation. The map includes several roads, some marked with numbers like 150, 151, 152, 153, 154, 155, and 156. A prominent red dashed line runs through the center, labeled 'WF-77/77/12'. The map is bordered by four surrounding areas: Digas to the west, Kinlos to the east, Hirlok to the south, and Avalegaon to the north. The map is overlaid with a grid showing coordinates from 73°44'0"E to 73°45'30"E and 16°43'0"N to 16°45'30"N. The Karivane area is outlined in pink, and the surrounding regions are outlined in black. The map also shows various contour lines with values ranging from 40 to 132, and several small numbers (1-30) scattered across the terrain.

This topographic map depicts the Karivane region, characterized by numerous contour lines indicating elevation. The map includes several roads, some marked with numbers like 150, 151, 152, 153, 154, 155, and 156. A prominent red dashed line runs through the center, labeled 'WF-77/77/12'.
