

This topographic map depicts the Barshi region in Maharashtra, India, centered around the Barshi River. The map includes the following details:

- Geographical Features:** The Barshi River flows through the center of the map. Surrounding areas include Yermala to the northwest, Walwad to the west, Pimpalwadi to the southwest, Shirale to the south, and Ukadgaon to the southeast.
- Topography:** The map uses brown contour lines to represent elevation, with labels ranging from 100 to 250 meters. A prominent ridge runs along the Barshi River.
- Infrastructure:** A network of roads is shown, including a major road (likely National Highway 4) running north-south through the center. A railway line is visible in the southern part of the map.
- Settlements:** Numerous small settlements and hamlets are marked with dots and labeled with their respective names, such as Barshi, Pimpalwadi, and Shirale.
- Administrative Boundaries:** The map shows the boundaries of the Barshi Taluka and the surrounding districts of Solapur and Satara.
- Scale and Orientation:** The map includes a scale bar indicating distances in kilometers (0 to 10 km) and a north arrow pointing towards the top of the map.
