

This topographic map depicts the Solapur South region, characterized by a dense grid of land parcels, each identified by a unique number. The map is overlaid with a coordinate grid, with longitude ranging from 76°0'30"E to 76°2'30"E and latitude from 17°44'30"N to 17°46'0"N. Key geographical features include contour lines indicating elevation, with labels such as 500, 510, 520, 530, 540, 550, 560, 570, 580, 590, and 600. A prominent pink boundary line outlines the Solapur South area. Infrastructure elements include a railway line (RRV/221) and a road (RRV/207). The map also shows the locations of Khadki, Shivajinagar, and Ghattewadi. The Solapur South area is further divided into sub-regions labeled Solapur South, Boramani, and Solapur South. The map is a detailed representation of the land parcels and infrastructure in the Solapur South region.
