

This topographic map depicts the Murbad region in Maharashtra, India, characterized by a dense network of contour lines indicating varying elevations. The map includes several place names: **Khed** to the northwest, **Shelgaon** to the west, **Talegaon** in the central-western part, **Murbad** in the center, **Alawe** at the northern tip, and **Kharsheet Umbroli** to the southeast. A prominent road network is shown, with a major road running north-south through the center and several other roads branching out. The map also features numerous numerical labels, likely representing elevation or land area, and a grid system with coordinates ranging from 73°38'0"E to 73°39'0"E and 19°23'0"N to 19°25'0"N.

This topographic map depicts the Murbad region in Maharashtra, India, characterized by its rugged terrain and numerous contour lines. The map includes the following features:

- Geographical Labels:**
 - Khed:** Located in the upper left corner.
 - Shelgaon:** Located in the middle left area.
 - Talegaon:** A prominent settlement in the central-left portion.
 - Murbad:** The central focus of the map, labeled in pink.
 - Kharsheet Umbroli:** Located in the lower right area.
 - Alawe:** Located at the top center.
- Topography:** The map is covered with numerous contour lines, with elevations ranging from approximately 140 to 480 meters. Notable peaks and ridges are visible, particularly in the central and right-hand sections.
- Infrastructure:**
 - Roads:** Several roads are shown, including a major road running vertically through the center-left and another running horizontally across the bottom.
 - Boundaries:** A pink boundary line outlines the main area of interest, while a red dashed line indicates a specific administrative or regional boundary.
- Grid and Coordinates:** The map is overlaid with a grid showing latitude and longitude coordinates. The top edge is marked with 73°38'0"E and 73°39'0"E, and the left edge with 19°25'0"N and 19°24'30"N.
